

COMMON LANGUAGE® Customer Service Bulletin NEP-01-16-2009.1

January 16, 2009

GR-485-CORE TTF Participants:

This is to inform you that the announcement of the GR-485-CORE, issue 5 re-write was announced in the January 09 Telcordia Digest. The meeting will be held on Monday and Tuesday, April 27 and 28, 2009 in Piscataway, NJ. Due to the volume of ILRs we anticipate that both days will be full sessions. Your interest with the upcoming re-write is appreciated. For more information please visit us at:

<http://www.telcordia.com/services/genericreq/digest/invitations/2009-gr485-iss6.html>

Please contact us by February 27, 2009 if you are planning to attend this meeting so that we can accommodate your needs and distribute ILRs accordingly. If you have any questions about the re-write, please contact me directly.

A pre-meeting is scheduled for Monday, March 16, 2009 at 10:30 AM East Coast / 7:30 AM West Coast. Further details will be sent to all participants on March 2, 2009. This meeting will go over the rules/guidelines for the face-to-face meeting and to address any minor ILRs that include minor updates to GR such as title of document, adding glossary details and over-all minor editorials to the GR.

There are 49 ILRs in total, which are now set for voting consideration for the upcoming re-write. All ILRs are subject to editorial changes for clarification leading up to the meeting and we will work to provide a final issuance of said ILRs 4-weeks prior to the face-to-face meeting scheduled for April 27 and 28, 2009. At this time no ILRs will be deleted/omitted and will remain in an open status until the actual meeting. Once we are within 4 weeks of the meeting any editorials cannot be done and will need to wait to be done at the meeting itself. This is to ensure that all participants have a full understanding of what will be presented at the face-to-face meeting.

We will keep all participants informed as to changes/updates via email and CSBs accordingly. If and when there are updates to any ILRs these will be tracked via an issue number appended to the file name.

Please contact me you have any questions in regards to any of the ILRs or logistics of the scheduled meetings.

Sincerely,

Bob Willoughby
