

COMMON LANGUAGE® Customer Service Bulletin NEP-12-04-2009.2

December 4, 2009

Based on NEP feedback from **CLEI Request Form Version 2009-10-30 (Draft)**, the following changes are included in **Version 2009-12-04 (Draft)**:

- Updated **System ID** to **System ID(s)**
- Remove **System ID** from Request Information tab
- Added "Optional" to "*If this request is for a specific customer, identify the customers' name:*" field
- On PCN tab, updated Call Out Comments in **HMI** column to reflect **RoHS5** and **RoHS6**

This version (which will be named Version 2009-12-11) will be posted on the Common language website and used as the official **CLEI Request Form** effective December 11, 2009. Version 7-1-A will become obsolete at that time.

Please let me know if you have any questions or comments.

Thank you,
