RE: Open Enrollment for GR 485 Re-write Session Issue 5 from June 15, 2009 to July 31, 2009

June 15, 2009

Common Language Equipment Subscribers:

This is to inform you that Telcordia is accepting new participants into the GR-485-CORE, Issue 5 Re-write process.

This Re-write Session was originally announced in the January 2009 Telcordia Digest. Preliminary conference calls and a two day face to face meeting were held early this year. Due to the volume of change requests (i.e., ILRs) we were not able to complete the ILR discussion so follow up conference calls are required to complete this rewrite.

Please contact Bob Willoughby (rwilloug@telcordia.com) by July 31, 2009 if you would like to participate in the follow up conference calls to complete the rewrite. As agreed in the initial TTF invite, there is no participation fee for this TTF.

If you have any questions, please contact Bob Willoughby +1 732-699-7451 or Bob Powers +1 630-607-8607.
